

She had never believed in fairy tales, but her grace, talent, and generous spirit were bringing to life all she had ever dreamed, and she would share it with her husband, their families, and the widest possible circle of friends.

On behalf of everyone who helped create this issue for you, congratulations again!

For more bridal information, plus contests, fashions, and wedding day tips, visit us at www.manhattanbride.com (complete with an interactive Digital Magazine of this issue and previous ones too).
